

Graphic Designer // 613.875.8164 // hello@marisabivi.ca // marisabivi.ca // Stittsville, ON

I am Graphic Designer who is fueled by tea and sweets versus the staple coffee of most designers. However, you will still find me wearing a lot of black.

I love creating simple yet memorable and effective solutions for clients facing challenges in branding, web design and UI/UX but I also enjoy working in illustration, photography and video.
